

# October Edition 2025

## Bright Future's CEO Recognised Among "The Power 25"

We're proud to share that our CEO, Kishor Palve, has been featured in Indian Startup Times' list of **"The Power 25: Promising Career Counsellors of India."**

This recognition highlights his unwavering dedication to empowering youth through career guidance and skill development. Under his leadership, Bright Future has helped thousands of young people gain confidence, clarity, and purpose in their career journeys.

Kishor's inclusion reaffirms our mission to inspire youth to dream bigger, adapt to change, and unlock their true potential.

## Celebrating 16 Years of Bright Future India

This month marks a special milestone — Bright Future India's 16th Foundation Day! Over the years, Bright Future has touched countless young lives, empowering them with guidance, skills, and opportunities to shape their own futures.

From a small initiative to a movement driving youth empowerment across communities, our journey has been one of passion, purpose, and collective effort. We extend heartfelt gratitude to our dedicated team, partners, and supporters who have been part of this incredible journey.

Here's to 16 years of inspiring change — and to many more years of building brighter futures together!

# 16TH FOUNDATION DAY

## 23rd September 2025

## Skill-Building Session with J.P. Morgan Volunteers

Our center recently hosted a volunteer session in collaboration with J.P. Morgan, engaging 22 enthusiastic employees. The session focused on Advanced Excel training and Interview Preparation, providing aspirants with practical skills and valuable career guidance.

The Advanced Excel segment enhanced participants' data handling and analytical abilities, while the Interview Preparation module offered insights on CV building, mock interviews, and confidence-building techniques. Volunteers also spent time individually mentoring aspirants, helping them define career goals and plan effectively for the future.

The session not only equipped aspirants with essential professional skills but also boosted their motivation and confidence to pursue upcoming opportunities. We are grateful to the J.P. Morgan volunteers for their time and expertise.

## Exposure Visits to Deloitte – Prabhadevi & Gurgaon

On 25th September 2025, Bright Future organized enriching corporate exposure visits for our aspirants to Deloitte offices in Prabhadevi and Gurgaon, accompanied by staff and volunteers. The visits provided a unique opportunity for aspirants to experience a professional corporate environment and gain insights into industry expectations.

The sessions began with interactive icebreakers and a SWOT analysis, helping aspirants understand personal and professional strengths and areas of improvement. Discussions on Artificial Intelligence, its applications, and the evolving role of humans in the workplace gave them a deeper understanding of modern corporate dynamics. Aspirants also attended mock interviews, received personalized career guidance, and toured the offices to explore departmental functions and corporate culture.

Inspirational talks by Deloitte leaders motivated the participants, enhancing their confidence, professional outlook, and readiness for future career opportunities. These visits successfully bridged the gap between academics and corporate requirements, equipping our aspirants with the skills and mindset needed to thrive in their careers.

## Parent Leaders Take Initiative in Nallasopara

---

The first meeting of the newly formed Parent Leader Committee at the Nallasopara Center brought together 13 actively engaged parents. The session introduced them to the Bright Future initiative and addressed key community issues, youth engagement, and collaborative problem-solving strategies. A major highlight was fostering the empowering mindset of "My Problem, My Responsibility," marking a positive step toward stronger ownership and proactive participation within the community.

## Stakeholder Meeting at Govandi Centre

---

On 19th September 2025, Bright Future's Govandi Centre hosted a stakeholder meeting with 15 NGO representatives and 10 community influencers to plan future collaborations. Discussions focused on joint programs for community development, sharing organizational updates, and exchanging IEC materials. Key action points included camps for Ayushman and e-Shram Cards, Constitution Day and HIV/AIDS awareness events, and an Aadhaar and Voter ID camp. The meeting marked an important step in strengthening partnerships and driving impactful community initiatives.

## First Batch of the General Duty Assistant (GDA) Program

---

We are excited to announce the launch of the first batch of our General Duty Assistant (GDA) program, a comprehensive initiative designed to prepare individuals for meaningful careers in healthcare. This program focuses on equipping aspiring healthcare professionals with the essential skills, knowledge, and confidence required to deliver quality care and support in diverse healthcare settings.

Participants undergo hands-on training, gaining practical experience that mirrors real-world healthcare scenarios. In addition, the program emphasizes industry-relevant expertise, ensuring that graduates are well-prepared to meet professional standards and contribute effectively to patient care.

With this program, we aim to empower individuals to take confident steps toward a rewarding career in healthcare while also addressing the growing demand for skilled support staff in hospitals and clinics.

# Donate now, because every young woman deserves **Aasmaan**

At Bright Future, we believe every girl deserves the chance to dream big and achieve more. Through our Aasmaan Initiative, we empower young women from underserved communities to pursue higher education and address social and civic issues, building healthier and equal communities. It opens doors for aspirational learners to break economic barriers and become changemakers.

But dreams need resources to take flight. Many young girls aspire to be future leaders, yet a lack of books and learning essentials often holds them back.

You can change this **RIGHT NOW!**

# Harsha's Journey: From Uncertainty to Empowerment

Harsha More, a Bright Future alumna from Ghatkopar, embodies the true spirit of transformation. Once a shy and uncertain 12th grader, Harsha discovered Bright Future in 2021 when she was searching for direction in life. Through consistent mentoring, group activities, and hands-on learning, she gradually built her confidence, communication, and leadership skills.

Today, Harsha is not only pursuing her college education but also working as a Social Worker with Bright Future — guiding and inspiring other young people just like her. She believes the supportive environment and mentorship she received at Bright Future helped her find her voice and purpose.

Harsha's story is a shining example of how the right guidance and opportunities can empower youth to rewrite their own futures.

As we wrap up this edition, we extend our gratitude to our donors, volunteers, team and supporters who make this journey possible. Together, we continue to transform aspirations into achievements and build a future where every young person has the opportunity to thrive.
